By the way your reminder really helped. We've already gotten 20 additional responses to the survey today.

We are at 110 responses and over 170 inquiries on products and services.

I will be closing it at the end of the day tomorrow.

Nice to see you are getting interaction on this. I will get to the changes tonight as I'm booked solid today. All the changes/requests will be done before the last reminder goes out tomorrow.

You are doing great on your responses as well.

Dear Scott,

I recently sent you a note about our client satisfaction survey and I'm reaching out one last time to ask for your feedback. You should have received a survey link from the Corlea Group. The survey only takes a couple minutes and your valuable feedback will help our team tremendously.

Thank you for your business!
